

Rules:

Deadline 1: December 21st for exam in the winter session (January 8th and 29th)

Deadline 2: May 6th for exam in the summer session

There are 4 different versions of the exam. The groups are 14 (you can find in the excel file “groups.xlsx” the composition and the identification number of the group). Each group will have to do a single version.

In particular:

- Version A: group 1, group 2, group 3 and group4
- Version B: group 5, group 6, group 7 and group8
- Version C: group 9, group 10, group 11
- Version D: group 12, group 13, group 14

You must send me via email all the matlab codes and a report of 10-15 pages (maximum) in which you discuss your results with the help of tables and plots.
